

# **Band Supply List**

## **Teacher: Mrs. Sutton**

Class: **Beginning Band**

(Your student will be notified about the instrument they chose and the supply list for the instrument will be in the letter that they will receive. There will be a band parent meeting in August to discuss where to buy instruments.)

Sheet protectors

Pencils

Band Shirt: Black polo style shirt (**embroidered with the OPCA band logo**)

### **Where to get the Band Logo added to your shirt:**

Please purchase a shirt matching the above requirement and take it to:

**Uniformi-T** (Locations: River City Marketplace, St. John's Town Center, Oakleaf Town Center. See website <https://uniformi-t.com/> for phone number and address.)

**For a small fee**, they will embroider our band logo onto your shirt. When you drop off the shirt, let them know you would like the OPCA Defenders Band logo on the right side of the shirt. Please do this ASAP as you will need this by Thanksgiving break and time flies when the school year begins.

Children grow rapidly. Buying a shirt slightly larger than what you need might ensure that you will not have to buy another before the spring concert.
