

Dear Potential Sponsor,

First of all, we would like to thank you for giving our athletic program the time to present you with several sponsorship opportunities. Here at OPCA, we are excited for the amazing possibilities the 2019-2020 school year could bring our way.

When I first began working with sports at OPCA almost 10 years ago, we offered 4 sports; flag football, volleyball, basketball, and softball. The entire volleyball squad consisted of 8 girls! In recent years, we have grown that number to 42 girls and 4 teams. Flag football is now 8 man tackle football, boys' softball has become baseball, girls' softball is now fast pitch, and we have been blessed to add cross country and boys' soccer as well. We are looking to bring back varsity cheerleading and maybe even adding tennis and girls' soccer.

Our school and sports programs are continuing to grow and with that comes more interest in our athletics. We want to give each student athlete the chance to become the best at the sport(s) of their choice, as well as providing them with a Christian based learning experience that will shape them into productive adults. That's where you come in.

Our school and athletics have been blessed with past support from our church members, but we are looking to grow that support into our community and the businesses within that community. We are currently working on building a newly structured athletic program that will not only improve the individual sports that we provide but also the opportunity for our athletes to play that sport safely. Below, we have listed a few goals that we are striving to achieve within the 2019-2020 school year.

|----------------------------------|---------------------------------|

| New Field Scoreboard | Softball/Baseball field |
